Spring Concert

Our annual Spring concert and Tea will be held on Friday, May 28th. The children will arrive at 10:00am for opening, playtime and crafts. The concert will begin at 11:00am. There will be a potluck luncheon/tea time following the concert. There is a sign-up sheet for food in the coat room. Parents, siblings, grandparents, etc are more than welcome to attend. Dismissal will be at noon. The children have been practicing very hard and we know the concert will be a great success.

Nature Park

On Friday, May 21st, we will be going to the Richmond Nature Park (11851 Westminster Hwy, near No. 5 Road). We will be meeting at **9:00am** and will finish at approximately 11:30am. Parents are welcome to stay. Please bring snacks to share. The preschool will provide juice.

The Preschool's next board meeting will be held on Monday, May 31st. All parents are welcome to attend. If you are unable to attend, please pass on any questions, ideas or concerns to the teachers.

Sun Safe

As we will be outside more and more with the nicer weather please ensure that your child is sun safe! Sunscreen is a good idea and a hat is necessary. If your child does not have a hat from home, we will insist they wear one from the preschool.

Summer Program

Once again, we will be offering our summer program from Tuesday, July 6th to Thursday, July 29th. Summer hours are 9:00am to 12:00pm, \$18.00 per session. Please note that the program will run on Tuesday/Wednesday/Thursday only for the month of July. Spaces are very limited so if you are interested, please let the teachers know, or sign up on the provided schedule in the hallway near the Preschool entrance.

A sign up fee of \$18.00 is requested. This will be applied to your child's first session.

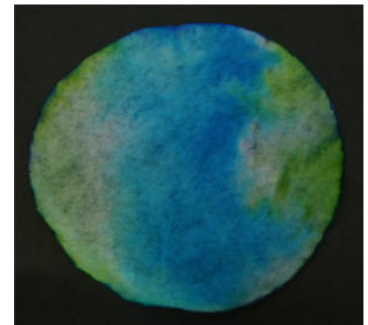

DLTK's Crafts for Kids Planet Earth Coffee Filter Craft

Materials:

- coffee filter
- blue and green washable markers (we used crayola brand)
- squirt bottle or small glass of water
- black construction paper
- glue

Instructions:

1. Flatten out a coffee filter on a plate.
2. Scribble the filter with blue and green washable markers.
3. Use a squirt bottle to spray the coffee filter 2 or 3 times.
4. Let dry (this takes about 1/2 an hour, but will take longer if the filter has been soaked by an over-zealous crafter!)
5. Glue your earth to a piece of black construction paper (or to a splatter painted piece of black construction paper).

Ongoing Reminders:

- **The Preschool will continue to take refundable containers such as juice, pop, etc.**
- **If you haven't already done so, please bring in a 4X6" family photo and we will add it to our collection in the cubby room.**
- **In keeping with our licensing regulations, parents must SIGN IN and SIGN OUT their children in the preschool each day.**
- **If you have any empty ice cream buckets, the Preschool has many uses for them.**
- **Please continue to slow down in the parking lot.**
